Motors / Accessories

SOMFY SMART MOTORS

We have a motor for every job ... from the hardwire switch to the plug-in style, from remote controlled to manual override.

- Powerful 20 Nm and 50 Nm electric motors
- Adjustable: UP and DOWN limit settings
- 78 mm crown and drive included
- 2 motor styles: hardwire or remote operation
- Remote control up to 4 channels
- Emergency manual override available
- 5 year warranty

Compatible with Smart-Shade App, Smart-Switch and Bluetooth remote controls.

WIRELESS REMOTES

Available with multifunction capability. Operate multiple awnings with the convenience of one remote!

 Bluetooth

HOOD

The hood is made from extruded aluminum, provides excellent protection for the fabric and hardware components.

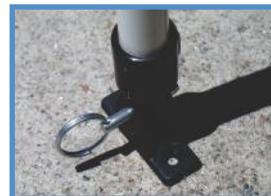

LED LIGHTS

These built-in LED lights are powered by our motor on the awning and then operated by remote control.

WIND LEGS

Protect your awning from very costly damage in case of sudden gusts of wind. The wind pole will safely release from the base if awning is closed without securing the poles. The base can be attached to any surface.

WIND SENSOR

Mounted to the front bar, the sensor can detect any motion during windy conditions. Sending a signal to motor to close the awning. The sensitivity level can easily be adjusted.

STANDARD & RETRACTABLE FRONT SCREEN OPTIONS AVAILABLE

Built using weather resistant Awntex exterior shade fabric. This option allows for increased sun protection and privacy as the sun dips below the awning.

Product Warranty

Liberty Home Products, Inc. warrants to the original purchaser its awning frames, fabric covers, thread/seams, motors and electronics, if so equipped, to be free from defects in material and workmanship under normal and intended use for the following duration commencing from the date of installation:

- The framework is warranted for a period of twelve (12) years.
- The fabric cover and sewing/seams are warranted for a period of ten (10) years.
- The frame finish is warranted for a period of two (2) years.
- Electronic accessories and wall switches are warranted for a period of five (5) years.
- Installations are warranted for a period of one (1) year.
- Readjustments for motors, controls, or awning slopes will be charged at the current standard service rate.

Any defects in the awning must be reported to Liberty Home Products within the warranty period listed above. Under this warranty, Liberty Home Products, Inc. reserves the right to repair or replace those parts which have been returned or are redeemed defective. If any item is replaced due to a warranty claim, the warranty is not extended on the replaced item, but rather applies to the original warranty period.

This warranty does not cover normal wear and tear, damage caused by misuse or abuse, and acts of nature such as wind, tornadoes, hail, snowloads, rain/water accumulation, flooding, fire or vandalism. The 10-year manufacturers' fabric warranty covers any undue deterioration or premature fading.

Liberty Home Products is not responsible for defects caused by faulty installation, reinstallation, or service not performed by Liberty Home Products authorized personnel. Liberty Home Products, Inc. shall not be liable for any incidental or consequential damages, loss or injury. This warranty gives you specific legal rights, but you may also have additional or other rights which may vary from state to state.
